

# Lumwana West Secondary School Project

## Phase I September 2016 Update

# Elizabeth Bowers Zambia Education

In response to the desperate need for a secondary school in Lumwana West in NW Zambia, the Elizabeth Bowers Zambia Education Fund (EBZEF) has partnered with World Vision US to sustain and move forward our ongoing focus on the education of Beth's Girls and their community. This long-held dream of the village is now being realized as Phase I construction is well underway.

Under the auspices of World Vision Zambia, two teachers' houses are available for use in October 2016. The houses will have inside toilets and be set up for water and electricity when it is available.

Two 3-classroom blocks will be handed over in November, ready for use at the beginning of the new school year in January 2017.

An ablution block (lavatory) for Girls is almost complete. Construction of a 2-classroom pre-school building has begun.

**WE NEED YOUR HELP** to raise funds for Phase II. Encouraged by the progress so far, EBZEF volunteers and donors look forward to meeting the financial challenge of sustaining the momentum of the secondary school project. For further information visit EBZEF's website at [www.ebzef.org/news/secondaryschool](http://www.ebzef.org/news/secondaryschool).

Complete information on the secondary school project is available in the attached WV/EBZEF brochure. Thank you for your continued support!

### EBZEF's Mission

**EBZEF empowers women, children, and their community in Lumwana West, Zambia, to break the cycle of poverty through education.**

### EBZEF's Vision

Elizabeth Rachel Bowers (1979-2000) shared her compassionate spirit with the people of her village as a Peace Corps volunteer. The education legacy sustains Beth's vision of service and global awareness by empowering young women to build positive change from within, to become leaders and educators, and to improve the quality of life in their communities.
